INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §§ 1.97 AND 1.98

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Pursuant to the duty of disclosure under 37 C.F.R.
§§1.56, 1.97 and 1.98, Applicants call the Examiner's attention
to the fact that this application is a divisional application of
Serial No. 07/537,882; filed June 14, 1990, now U.S. Pat. No.
5,110,587, granted May 5, 1992, which is a continuation
application of Serial No. 07/090,209, filed August 27, 1987, now

abandoned, which is a divisional application of Serial No. 06/622,135, filed June 19, 1984, now U.S. Patent No. 4,722,848, granted February 2, 1988, which is a continuation-in-part application of Serial No. 06/446,824, filed December 8, 1982, now U.S. Patent No. 4,603,112, granted July 29, 1986, which is a continuation-in-part application of Serial No. 06/334,456, filed December 24, 1981, now U.S. Patent No. 4,769,330, granted September 6, 1988. A copy of each of the issued patents in the lineage of this application are enclosed.

The Examiner's attention is also directed to the following documents which were cited and forwarded to the U.S. Patent and Trademark Office in the above-mentioned predecessor applications, and which are listed on the accompanying form PTO 1449, enclosed in duplicate. Since a copy of each of the following documents was forwarded to the Patent and Trademark Office already, additional copies do not accompany this Information Disclosure Statement.

This Information Disclosure Statement is not a representation that the documents cited herein are considered most pertinent, or that a search has been undertaken, or that any of the cited documents are indeed prior art. The Examiner is invited to undertake an independent search. Applicants assert that the claimed invention is patentable over these documents.

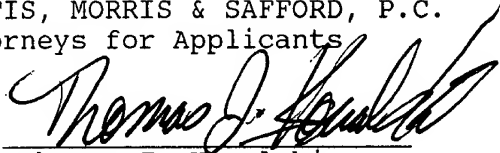

PATENT
454310-2430

Applicants respectfully request that the Examiner consider and make of record the documents cited herein and that a copy of PTO 1449 appropriately initialed by the Examiner be returned to Applicants' attorney.

Respectfully submitted,

CURTIS, MORRIS & SAFFORD, P.C.
Attorneys for Applicants
